10th June 2008

Dear Mr. Ahktar

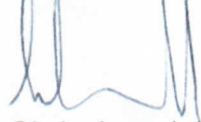

Your application for approval to install polycarbonate shields in Birmingham licensed private hire vehicles was taken to a full meeting of the Licensing Committee on 19th March 2008.

I am pleased to confirm that the Committee resolved to approve your application and agreed that both the full and half shields included in your submitted specification were suitable for installation.

Accordingly you may undertake the installation of both types in Birmingham licensed vehicles, providing that no significant changes are made to the style or construction of the shields.

Should you need any clarification of the Committee Decision, or have further need to discuss this matter, then please do not hesitate to call me on my direct number, 0121 464 8994.

Yours sincerely

Chris Arundel
