Dear Mr Akhtar

Re: Confirmation of authorisation for Cab Safe to install security screens

Further to our email correspondence, I can confirm that I have no objections to Cab Safe installing security screens into private hire vehicles licensed by Solihull MBC. I have seen the paperwork and certifications you have provided and believe the screens to meet the necessary standard. I am aware that the screens have also been approved by Birmingham City Council.

If I can be of any further assistance please contact me.

I wish you all the best with the venture.

Yours sincerely
