Dear Sirs,

Re: Cab Safe Security Shield

Further to previous correspondence, I can confirm that the Members of the Licensing Committee approved the use of the Cab Safe Security Shield for use in private hire vehicles in Wolverhampton on 22 September 2010.

As part of the decision, the Committee Members agreed that applications for the shields should be made by the vehicle proprietor on an individual basis.

There is currently no fee applicable for this application. Once permission is granted by Licensing Services **and before the vehicle is used for the carriage of passengers**, an appointment must be made with the Council's Vehicle Testing Station at Culwell Street, Wolverhampton for an inspection of the shields, installed in the vehicle by Council Inspectors. The cost of this inspection is currently £27.00. Once the vehicle has satisfactorily completed the inspection, the vehicle will be approved for use.

I trust this is satisfactory.

Yours faithfully

Andy Poulton
Licensing Officer
